<sup>1</sup> The DUI matrix is intended to give an overview of penalties Driving Under the Influence Offenses, Utah Code Title 41, Chapter 6a, Part 5. It is a reference guide for ease of use and greater transparency to assist in sentencing individuals convicted or sanctioned pursuant to Utah Code Title 41, Chapter 6a, Part 5. The DUI matrix is not a substitute for reference to the Utah State Code. It does not constitute legal advice and is not legally binding. It does not create any right or expectation on behalf of an offender or any party within the criminal justice system.

<sup>2</sup> A person is guilty of a separate offense for each victim suffering bodily injury, serious bodily injury or death, whether or not the injuries arise from the same episode of driving.

<sup>3</sup> See §41-6a-506 for electronic home confinement provisions.

<sup>4</sup> Supervised probation is also required for all violations of §41-6a-517(14)(a) (driving with any measurable controlled substance or metabolite in the body).

<sup>5</sup> Adoption of the ignition interlock restricted driver (IRD) provision (§41-6a-518.2) does not change the obligation of judges to impose interlock as a condition of probation.

**Note:** If a person's violation of Section 41-6a-502 does not involve alcohol, the requirement to order ignition interlock does not apply.

<sup>6</sup> ARD = Alcohol Restricted Driver.

**The following statutory provisions also apply to DUI offenders, although they do not require a court order. Failure to comply carries additional criminal sanctions.<sup>1</sup>**
