Anywhere... Anytime... Anyone...
can become a victim of violent crime. During the past 19 years the Utah Office of Crime Victim Reparations has reached out to thousands of victims who have suffered financial loss, physical injuries and emotional trauma as a result of violent crime. The assistance provided by this program helps victims recover and rebuild their lives. One hundred thirteen million dollars have been awarded through compensation and victim assistance since the program’s inception. No tax dollars are used to fund the compensation and victim assistance programs. These programs are funded through state and federal surcharges on fines, penalties and forfeitures.
