Dear Colleagues:

The Utah Office for Victims of Crime (UOVC) has received funding from the U.S. Department of Justice, Office on Violence Against Women, STOP Violence Against Women Formula Grant Program. VAWA is a federal pass through program that encourages the development and implementation of effective law enforcement, prosecution, and court strategies to combat violent crimes against women and the development and enhancement of victim services involving crimes against women. This Request for Proposal (RFP) ends **Wednesday, October 14, 2020 when applications are due.** UOVC is soliciting proposals from governmental agencies, tribal and non-profit, non-governmental organizations conducting business in the state to develop and maintain domestic violence, sexual assault, stalking and dating violence services, programs and training initiatives under the STOP VAWA Grant Program that are:

- Flexible and designed to meet the needs of domestic violence, sexual assault, stalking and dating violence victims and providers at the state and local level;
- Inclusive of and responsive to the ethnic, cultural, racial and socioeconomic diversity of the state; and
- Clearly defined with goals and measurable objectives for the services provided

**Beginning January 1, 2021, UOVC will now be awarding VAWA funds on a two-year cycle.**

The State of Utah will sub award **\$3,000,000.00** (over two years) to address the twenty VAWA program purposes, which are included in this mailing. The 2021-2022 VAWA grant program will begin January 1, 2021 and end on December 31, 2022. The amount of VAWA funding awarded to individual organizations will be based on an organization's ability to identify unmet needs and to demonstrate a program plan, which will successfully address those needs. The 2021-2022 RFP is a competitive application process; applicants will be able to apply under the following categories:
