U OF U RESEARCH

- In April 2018, U of U published a Rape and Sexual Assault Needs Assessment Findings Report
- 4 Recommendations were Identified:
 1. Develop and implement trauma and sexual assault training for providers.
 2. Increase public awareness of sexual assault and services available to survivors.
 3. Increase access to trauma-informed, mental health services.
 4. Expand SANE services.

UTAH FINDINGS

- One in six women and one in 32 men experience rape or attempted rape during their lifetime.
- In 2016, 9.7% of Utah adults reported that someone had sex or attempted to have sex with them without their consent.
- In 2011, sexual violence costs totaled nearly \$5 billion. Of which, \$92 million was spent on perpetrators of sexual violence.
- Rape is the only violent crime in Utah that is higher than the national average.

UOVC GOALS

- Increase funding to sexual assault programs by 101%!
- \$5,000,000 will be allocated to programs across the state
- Increase services
- Improvement of access to services
- Improvement of dual programs

CONSIDERATIONS

- Organizational Assessment
- Branding/ Awareness of Services
- Appropriate Service Models
- Designated Staff for SA Services
- Designated Space for SA Services
- Increase Collaborations
- Future funding will give priority to programs seeking to improve programs
