Notes

Beginning January 2018, we are starting a “Lunch, Learn, and Network” training. These training sessions will be held on the second Tuesday of every month from 11:30-1:00 at UOVC. You will bring your own lunch to eat while you network and then from 12:00-1:00 you will be trained, educated, and inspired by local experts in the field of victim advocacy. You won’t want to miss this great opportunity to eat lunch, learn, and network!
