The software will be documented in sufficient detail to enable potential users to adapt the system, or portions thereof, to usage on a computer of similar size and configuration.
- b. To provide a complete copy of the computer programs and documentation, upon request, to BJA. The documentation will include but not be limited to system description, operating instruction, program maintenance instructions, input forms, file descriptions, report formats, program listings, and flow charts for the system and programs.

24. PROTECTION OF VICTIMS

The subgrantee assures that it will not ask or require an adult, youth, or child victim of an alleged sex offense to submit to a polygraph examination or other truth telling device as a condition for proceeding with the investigation of such an offense. The subgrantee further assures that the refusal of a victim to submit to a polygraph or other truth telling examination shall not prevent the investigation, charging, or prosecution of an alleged sex offense.
- b. The subgrantee assures that it will not require a victim of sexual assault to participate in the criminal justice system or cooperate with law enforcement in order to be provided with a forensic medical exam, or to be reimbursed for charges incurred on account of such an exam.

25. CRIMINAL PENALTIES

- a. Whoever embezzles, willfully misapplies, steals or obtains by fraud or endeavors to embezzle, willfully misapply, steal or obtain by fraud any funds, assets, or property which are the subject of grant or contractor or other form of assistance pursuant to this title, whether received directly or indirectly from the Administration; or whether receives, conceals, or retains such funds, assets, or property to his use or gain, knowing such funds, assets, or property to have been embezzled, willfully misapplied, stolen, or obtained by fraud, shall be fined not more than \$10,000 or imprisoned not more than five years, or both.
- b. Whoever knowingly and willfully falsifies, conceals, or covers up by trick, scheme, or device, any material fact in any application for assistance submitted pursuant to the Act, whether received directly or indirectly from the Administration, shall be subject to the provisions of Section 371 of Title 18, U.S.C.

26. INDIRECT COST RATE

The new Federal Uniform Guideline allows for Indirect Costs to be charged by subgrantees as part of the grant budget. According to the Guideline, one of the following options must be chosen by grantees:

Option One: If a subgrantee has a negotiated Modified Total Direct Cost (MTDC)* rate with the Federal Government, then this Indirect Cost Rate must be applied to the grant application as part of the proposal request. Proof of the negotiated rate must be submitted with the grant application.

Option Two: If a subgrantee does not have a negotiated Modified Total Direct Cost rate with the Federal Government, or if the negotiated rate has lapsed, the Guideline allows the subgrantee to request a minimum MTDC rate of 10%. **Note:** Once this option has been chosen, it must be chosen again on all future grant applications until a subgrantee negotiates a rate with the Federal Government.

Option Three: If a subgrantee's operational costs are fully covered by charging these costs as administrative (direct) costs, or if the subgrantee calculates indirect costs and determines that these costs are immaterial, then the subgrantee may waive any indirect cost reimbursements.

It should be noted that choosing any one of the three options above will neither detract from nor enhance the consideration of the grant proposal.

*Modified Total Direct Costs (MTDC) are defined as all direct salaries and wages, applicable fringe benefits, materials and supplies, services, travel, and up to the first \$25,000 of each subaward (regardless of the period of performance of the subawards under the award). MTDC excludes equipment, capital expenditures, charges for patient care, rental costs, tuition remission, scholarships and fellowships, participant support costs and the portion of each subaward in excess of \$25,000. Other items may only be excluded when necessary to avoid serious inequity in the distribution of indirect costs, and with the approval of the cognizant agency for indirect costs.

A governmental department or agency unit that receives more than \$35 million in direct federal funding must submit its indirect cost rate proposal to its cognizant agency for indirect costs. Other governmental departments or agencies must develop an indirect cost proposal in accordance with the requirements of this Uniform Guide and maintain the proposal and related supporting documentation for audit. These governmental departments or agencies are not required to submit their proposals unless they are specifically requested to do so by the cognizant agency for indirect costs. Where a non-federal entity only receives funds as a subrecipient, the pass-through entity will be responsible for negotiating and/or monitoring the subrecipient's indirect costs.

Equal Employment Opportunity Plan. The purpose of an Equal Employment Opportunity Plan (EEOP) is to insure full and equal participation of men and women regardless of race or national origin in the workforce of the recipient agency. An EEOP is a comprehensive document that analyzes that agency's workforce in comparison to its relevant labor market data and all agency employment practices to determine their impact on the basis of race, sex, or national origin.

The agency will provide an EEOP to the Office for Civil Rights, Office of Justice Programs (OCR) and the CCJJ, if it has received a single reward of \$500,000 or more. If the agency receives \$25,000 or more and has 50 or more employees, it will maintain a current EEOP on file and submit an EEOP Certification Form to the OCR, certifying that its EEOP is on file. For agencies receiving less than \$25,000, or public grantee agencies with fewer than 50 employees, regardless of the amount of the award, the agency will provide an EEOP Certification Form to the OCR certifying it is not required to submit or maintain an EEOP. Non-profit organizations, Indian Tribes, and medical and educational institutions are exempt from the EEOP requirement, but are required to submit a certification form to the OCR to claim the exemption (a copy should also be submitted to the CCJJ). EEOP Certification Forms are available at:
