

Serious Youth Offender Update

Juveniles Qualifying for the Serious Youth Offender Law During 2000

**June 4, 2002
Juvenile Justice Subcommittee,
Utah Sentencing Commission**

Overall Outcome

65 juveniles identified as Serious Youth Offenders during 2000
 (Those with an offense date between January 1, 2000 and December 31, 2000)

All 13 retained in Juvenile Court were 10 *Deadly Sin* offenders

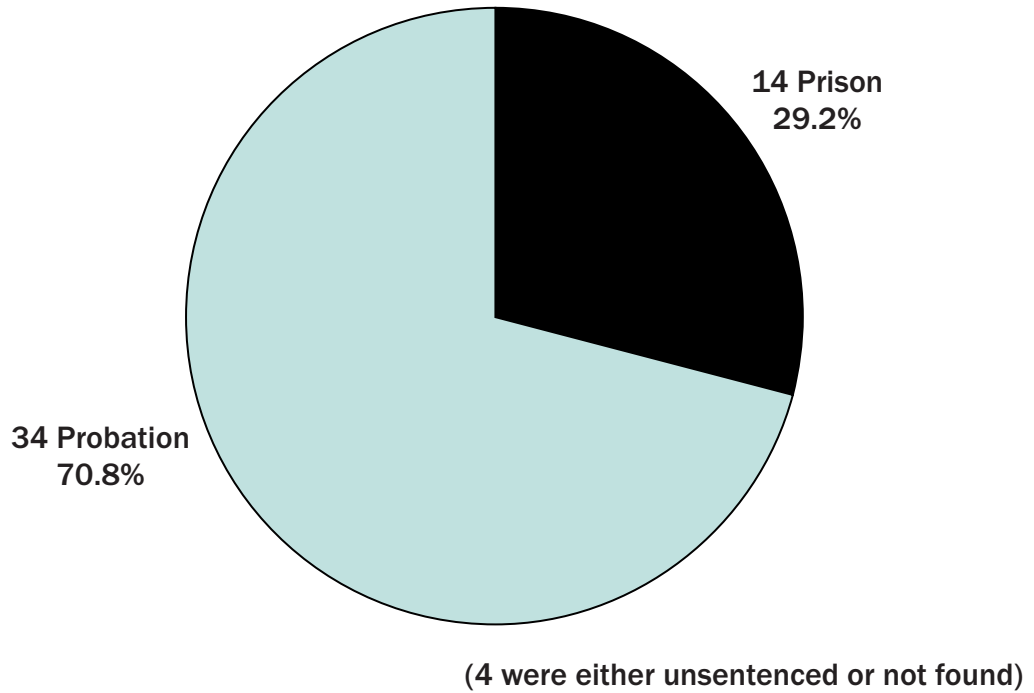

- Nearly two-thirds (61.5%) were convicted of 2nd degree felony Aggravated Assault
- Approximately half (46.2%) received probation for their sanction in Juvenile Court

| Offense | <i>n</i> | % |
|---------------------|----------|-------|
| Aggravated Assault | 8 | 61.5% |
| Aggravated Robbery | 2 | 15.4% |
| Aggravated Burglary | 2 | 15.4% |
| Aggravated Arson | 1 | 7.7% |

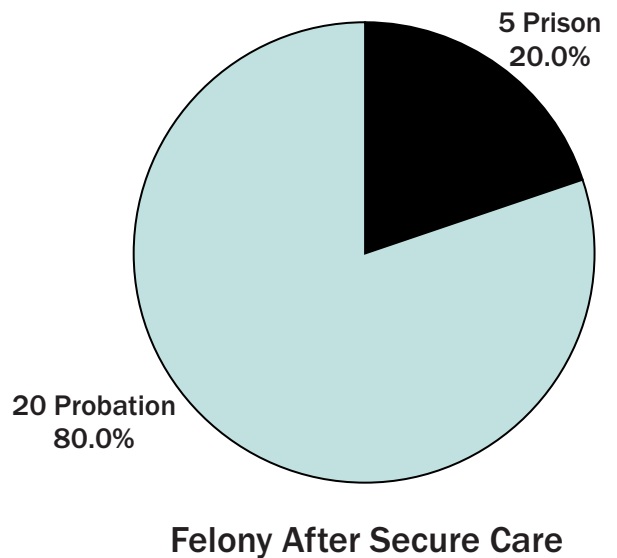

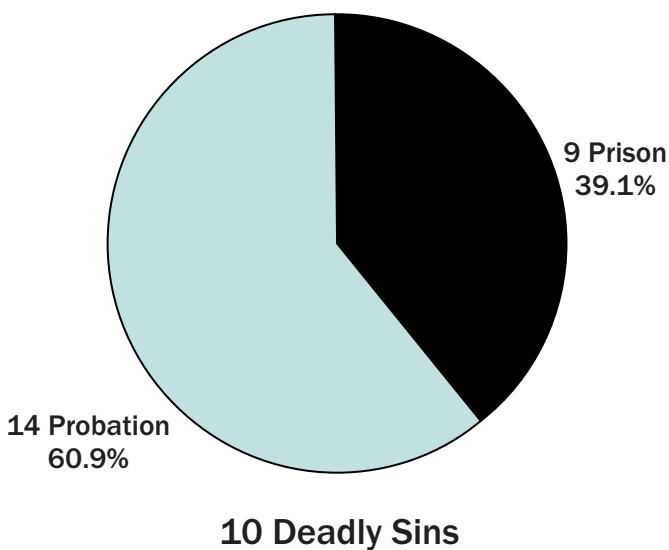

| Sanction | <i>n</i> | % |
|---------------------|----------|-------|
| Probation | 6 | 46.2% |
| Order Continued | 4 | 30.8% |
| State Supervision | 1 | 7.7% |
| Community Placement | 1 | 7.7% |
| Secure Facility | 1 | 7.7% |

Outcome for Juveniles Transferred

52 SYO juveniles were transferred to District Court

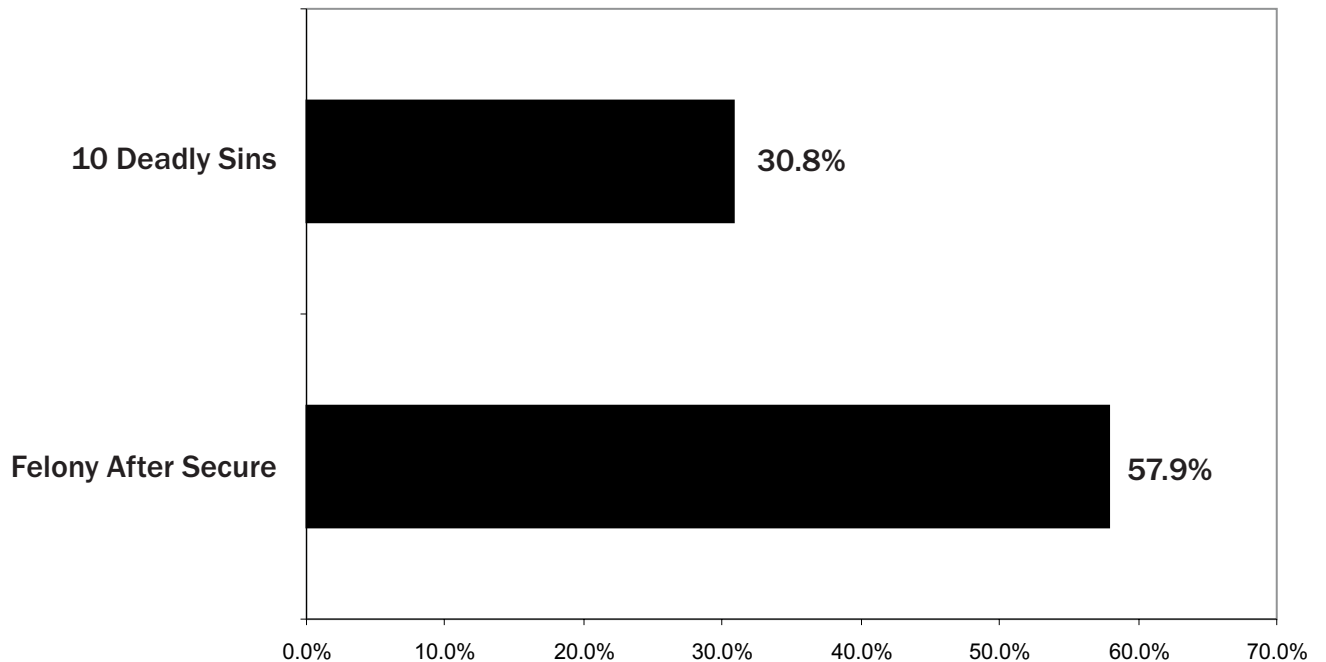

- 27 (51.9%) were 10 Deadly Sins offenders
- 25 (48.1%) committed a felony after a secure facility placement

Outcome for Juveniles Transferred

Percent of probationers with a new offense after probation started

Overall, 17 (53.1%) did not appear to have a new offense after probation began, while 15 (46.9%) did have a new offense after probation started. Two juveniles were deported and not included in these percentages.

Other Information

- 14 of the 25 (56.0%) felony after secure care juveniles were convicted of assault by a prisoner or damaging jails.
- 11 of the 14 (78.6%) 10 Deadly Sin juveniles who received a probation sentence appear to have had their original 10 Deadly Sin charge reduced in District Court
