Categorization of Offenses Except Sex Offenses

Form 1 General Offense Matrix

This list categorizes all felony and misdemeanor offenses to help determine the appropriate crime category column on the guidelines matrices. Felony offenses on the **General Matrix (Form 1)**, which does not include sex offenses, are categorized as *murder, death, person, possession only* or *other*. Offenses actually resulting in the death of the victim have been classified as *either murder or death*. The *person* category includes, but is not necessarily limited to, violent offenses, offenses which result in physical injury to the victim, offenses which place the victim in fear, and several offenses involving threats to the victim. Offenses that consist of only the possession of a controlled substance, are categorized as *possession only*. All other offenses including non-possession only drug offenses, property offenses, and offenses against public order have been classified as *other*.

To find the appropriate crime category column on the **General Matrix (Form 1)**, first determine the degree of the offense (1st degree, 2nd degree, or 3rd degree) by referring to the judgment and commitment order or other official court document. Then, look on this list to determine whether the offense is categorized as *murder, death, person, possession only, or other*.
