SB0184	Expungement of Eviction Amendments.			SUP		
SB0200	State Commission on Criminal and Juvenile Justice Amendments (Votes: 9-5-6, Opp Statement: “The Commission on Criminal and Juvenile Justice and the Utah Sentencing Commission both play vital roles in informing and advising policymakers and other stakeholders on state criminal justice policy. Eliminating one commission and drastically reducing the other would render these commissions unable to provide effective guidance to policymakers. Additionally, the Sentencing Commission is tasked by the legislature with creating and maintaining several running documents, providing statewide training, and other important responsibilities that CCJJ members would be ill-equipped to take on, especially if their numbers are reduced. Finally, the American Law Institute (ALI) in its Model Sentencing Code, recommends that 'every state maintain a standing Sentencing Commission as an essential agency of state government.'”)	OPP				OPP

BILL #	TITLE	CCJJ	USC	USAAV+	LELC	VICTIMS
HJR008S1	Joint Resolution Amending Rules of Civil Procedure on Disqualification of a Judge (Votes 18-0-0, Opp Statement: CCJJ unanimously voted to oppose this bill because we are concerned this will allow attorneys to force cases out of the hands of a judge at the attorney's discretion before the case even begins. This bill, which will apply to juvenile court delinquency proceedings, will lead to delays in the administration of justice for victims and offenders in juvenile cases, and larger caseloads for judges that most attorneys perceive as fair.)
